

BUFFALO & ERIE COUNTY PUBLIC LIBRARY

2017

ANNUAL REPORT OF THE DIRECTOR

# OUR MISSION

*Connecting our diverse community with library resources that enrich, enlighten and entertain.*

## A Message from the Director

**D**ear Friend of the Library,  
Thank you very much for investing in the Buffalo & Erie County Public Libraries (B&ECPL). Our libraries are your libraries and they are for everyone!

This past year we welcomed nearly 3 million visitors to our 37 locations and the Library on Wheels bookmobile. Some used the libraries for traditional services including: obtaining a book, movie or music; reading; using a computer; doing research; or completing homework. Others attended a variety of children's, teen, adult or family programs; attended a class; learned a new skill; participated in a Job Fair; listened to a concert; or experienced an exhibit. The list goes on and on.

Our libraries are transforming lives every single day. Library access is changing with digital library usage growing rapidly. Accessible 24 hours a day, 7 days a week, 365 days per year, B&ECPL's website, in 2017, had over 18.4 million (yes, million!) visits. Downloads of eBooks, audiobooks and music surpassed 788 thousand, WiFi access surpassed 520 thousand and social media activity exceeded 229 thousand with nearly 21 thousand fans/friends. Whether seeking accurate information, employment opportunities, applying for college, researching health or medical data, exploring family history, studying for exams or learning a foreign language, the Library's virtual presence has the resources to guide you through your journey.

B&ECPL libraries will continue to change with the times. While we will always provide traditional collections and services, as Library Director I believe we have a responsibility to be flexible and change to meet the ever changing needs of our communities. Libraries are at the center of our society and, in many instances, they are the heart of the neighborhood. As such, we have cultivated over 900 community partners that include organizations representing families, veterans, refugees, senior citizens, the underemployed and the underserved from educational, career, business, cultural, mental health, social and welfare agencies – we want to connect with YOU!

I am proud to lead this great institution which has been providing free access to materials, resources and services to the residents of Erie County for more than 180 years. Working with an extremely talented staff, dedicated trustees, our elected officials and supportive stakeholders has been an honor. My sincerest thanks to each and every one of you.

Your comments and suggestions are always welcome!
